Terms & Conditions

Our Company maintains very high standards. If you choose to use our services we will take all possible care with your films but in the unlikely event that your films, negatives are damaged or lost whilst in the care of the company, they will be replaced with an equivalent unexposed film. This is the limit of our liability for loss or damage, consequential or otherwise, and however caused. Films of commercial or high value are not accepted unless there is written prior agreement. We recommend you use recorded mail where possible. We cannot be responsible for packages lost in the care of any postal services.
